### THAI CHAO PRAYA

Heirloom Eggplant  
Harvest in 60 days

A creamy green matti-gulla type eggplant that is very prolific. Used in many Thai kitchens. Round 2-3 oz. fruits.

### TURKISH ORANGE

Heirloom Eggplant  
Harvest in 80 days

Stunning orange color with green streaks. Very flavorful with a sweet, rich flavor. So prolific the plants may need some support.

### THAI LAVENDER FROG EGG

Heirloom Eggplant  
Harvest in 80 days

Tiny fruits the size of cherry tomatoes. Very robust flavor and high yields. Thailand natives refer to these lavender and cream fruits as "frog eggs."

### WHITE STAR

Hybrid Eggplant  
Harvest in 65 days

Classic tear drop-shaped eggplant with white mild flesh. Well known for no trace of bitterness. 5-7" long.
