### AMETHYST BASIL

Herb - 16-20 inches  
Harvest in 60 days

Beautiful dark purple, almost black 2-3" leaves. Flowers also edible with great intense flavor for garnishes.

### DOLLY BASIL

Herb - 16-18 inches  
Harvest in 60 days

High yielding Genovese-type basil with lots of traditional basil flavour. Compact but full plants with cupped 4" leaves. Great for containers.

### ELEONORA BASIL

Herb - 18-24 inches  
Harvest in 65 days

Slight cupped 3" leaves with a somewhat spicier flavor than traditional pesto types. Downy mildew resistant.

### GENOVESE BASIL

Herb - 16-18 inches  
Harvest in 60 days

This classic Italian heirloom is very popular with many cooks. Leaves are tender, delicious and aromatic. Slow to bolt and great in containers.

### LEMON BASIL

Herb - 18-24 inches  
Harvest in 60 days

Very strong lemon scent and flavor. Excellent in sauces and main courses, but also good in deserts. Use fresh or dried.

### THAI BASIL

Herb - 24-48 inches  
Harvest in 60 days

Has a subtle clove or licorice flavor, making it a lovely addition to many dishes, including Asian. Beautiful purple flowers make it a lovely addition to any garden.

### LIME BASIL

Herb - 16-24 inches  
Harvest in 60 days

Unique lime flavored basil from Thailand. Popular variety for fresh market. Great paired with lemon basil.

### CHIVES

Herb - 10-12 inches  
Harvest in 60 days

Wonderful, mild onion flavor. Long, thin chives that are great raw or cooked. Lovely lavender flowers are pretty in the garden.

### **GARLIC CHIVES**

Herb - 18 inches  
Harvest in 80 days

These flat-leaved chives have an oniony flavour with distinct garlicky overtones. Great for cooking, salads or marinades. Pretty white flowers.

### **OREGANO - ITALIAN**

Herb - 18 inches  
Harvest in 80 days

Slightly less spicy than Greek Oregano. Fuzzy leaves with pungent earthy flavor with edible, small white flowers.

### **DILL BOUQUET**

Herb - 48 inches  
Harvest in 40-60 days

Early to flower with large seen heads. Excellent in pickles and for flavoring many other foods and sauces. Easy to grow.

### **EXTRA CURLY LEAF PARSLEY**

Herb - 12 inches  
Harvest in 75 days

Easy to grow, medium-fine curled leaves can be used as a garnish, in a salad, or a seasoning in dishes.

### **LEMON GRASS**

Herb - 36-60 inches  
Harvest in 70 days

Wonderful, tropical lemon-flavored herb of Thai cuisine. Wonderful in soups, curries, stir fries, and also in teas.

### **FLAT LEAF PARSLEY**

Herb - 24 inches  
Harvest in 60 days

Deep parsley flavor that holds up better in cooking than the curly. Popular in Mediterranean and Middle Eastern Cuisine.

### **OREGANO - GREEK**

Herb - 18 inches  
Harvest in 80-90 days

Strong oregano aroma and flavor. Great for pizza and Italian cooking. Dark green leaves with white, edible flowers.

### **ROSEMARY**

Herb - 24-36 inches  
Harvest in 100-180 days

Pine-scented, savory, culinary favorite. Needle-like leaves with delicate flowers that are also edible. Popular with chefs and as potted plants.

### SHISO - RED

Herb - 18-30 inches  
Harvest in 60 days

Both decorative and edible. Cinnamon/clove flavor with the spiciness of cumin. Great in Asian cooking and salads.

### THYME

Herb - 12-18 inches  
Harvest in 90 days

Traditional thyme that is great for culinary, medicinal, and ornamental purposes.

### STEVIA

Herb - 18 inches  
Harvest in 85 days

Leaves from this sweet herb can be used fresh, dried, or powdered to sweeten food and drinks. 30 times sweeter than sugar!

### LEMON THYME

Herb - 10-12 inches  
Harvest in 90 days

Great citrus flavor and aroma. Bright green leaves that are great for cooking or make attractive ornamental bedding.

### SUMMER SAVORY

Herb - 12-18 inches  
Harvest in 60 days

Delicious peppery flavor that is popular with fresh and dry beans, cabbage, and sauerkraut. Also used medicinally.

### ORANGE THYME

Herb - 6-10 inches  
Harvest in 90-95 days

Armoa distinctly sweeter the German Winter Thyme. Classic thyme with citrus flavor. Great with fish and vegetables.

### FRENCH TARRAGON

Herb - 24-36 inches  
Harvest in 80 days

Frequently used in French cuisine, particularly with fish and chicken. Anise-like flavor.
