BLACK CHERRY

Heirloom Tomato
Early (64 days)

The only truly black cherry tomato with sweet, rich, complex flavor. Huge clusters of 1-inch deep purple tomatoes. High in antioxidants.

BUMBLE BEE PURPLE

Heirloom Tomato
Early (60 days)

Bright green stripes cover these slightly elongated little cherries. Complex sweet flavor. Plants are abundant producers.

BLUE BERRIES

Heirloom Tomato
Mid (75 days)

Where the sun hits this beautiful little tomato, it is very dark purple (almost black!) and deep red on the shaded areas. Intensely fruity flavor that is very sweet.

BUMBLE BEE SUNRISE

Heirloom Tomato
Early (70 days)

The beautiful swirls of red and orange are inside and out with this cute little cherry tomato. Oblong fruit have a sweet, fruity taste. Barely an ounce each.

BLUSH

Heirloom Tomato
Early (70 days)

Beautiful bright yellow tomato has red stripes. Great in mixes with other Artisan tomatoes. Excellent sweet, fruity flavor.

CHOCOLATE CHERRY

Heirloom Tomato
Early (70 days)

Attractive port wine colored flesh and skin with delicious and multifaceted flavor. Super productive. Yummy right out of the garden or in salads.

BUMBLE BEE PINK

Heirloom Tomato
Early (70 days)

An alluring combination of light pinks, yellows and oranges. Excellent sweet flavor.

CHOCOLATE PEAR

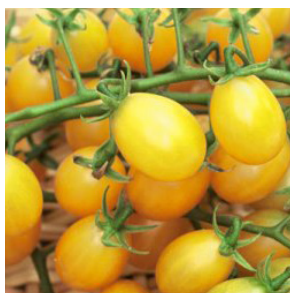

Heirloom Tomato
Early (65 days)

Cute little pear shaped tomato with a unique color. Flavor is sweet and rich. Pretty displayed along with yellow pear tomatoes.

CUBAN YELLOW GRAPE

Heirloom Tomato
Late (90 days)

Very sweet and flavorful small grape sized fruits. Perfect for salads, snacks, and garnishes. Crack resistant.

GREEN GRAPE

Heirloom Tomato
Early (60 days)

Yellowish green fruit that grows in clusters and resemble large grapes. Unique appearance and great flavor.

FIVE STAR RED GRAPE

Hybrid Tomato
Mid (75 days)

Sweet little grape tomato that is firm and has few seeds and little juice. Excellent flavor. Plant bears high yields.

GREEN TIGER

Heirloom Tomato
Early (70 days)

Greenish-yellow flesh color with darker green striping creates a distinctive appearance. Bold, sweet and acidic flavor typical of ripe green tomatoes.

GOLD BERRY

Hybrid Tomato
Mid (75 days)

Bright yellow fruit with purple shoulders. Very sweet and rich. Plants have great production and are sunburn and crack resistant. Great hang time and shelf life.

ILDI GRAPE

Heirloom Tomato
Ultra Early (54 days)

Bright yellow grape tomato about 1 inch long. Incredibly sweet! Can produce up to 75 tomatoes in every bunch! Great for salads or snacks.

GOLD NUGGET

Heirloom Tomato
Ultra Early (56 days)

An early very prolific golden cherry tomato with flavor that is well-balanced and delicious. Majority of early fruits are seedless. Developed at Oregon State University.

LUCIA GRAPE

Heirloom Tomato
Early (64 days)

Super crunchy, sweet fruit can boast some tartness and complexity. Some say they taste like a red Sungold. Good yields.

LUCKY TIGER

Heirloom Tomato
Early (70 days)

Elongated green striped cherry tomato. When ripe, looks like a red tomato with prominent green striping, marbled color inside. Excellent sweet, tart flavor.

SWEET MILLION

Hybrid Tomato
Ultra Early (57 days)

Terrific flavor and high yields have made this cherry tomato a big hit. Super-sweet, dark red 1" fruits. Matures early!

PINK TIGER

Heirloom Tomato
Early (70 days)

Excellent balanced sweet and acidic flavor. Elongated fruit that is dark pink with contrasting yellow-orange striping.

SWEET PEA CURRENT

Heirloom Tomato
Early (62 days)

Very cute 1/4 inch ruby red fruit are probably the teeniest tomatoes you will ever see. Sweet flavor. The plant is a charming lacy bush that can be lovely in hanging containers.

SNOW WHITE

Hybrid Tomato
Mid (75 days)

Ivory-colored cherry tomatoes that ripen to pale yellow. Deliciously sweet without being sugary. Great for snacking or pretty mixed mixed with red and orange cherry tomatoes.

YELLOW PEAR

Heirloom Tomato
Mid (70 days)

Very sweet, candy-like tomatoes that look like small, bright yellow pears. Good producers for an extended period of time.

SUNGOLD

Hybrid Tomato
Ultra Early (57 days)

Amazing sweet tart flavor! One taste and you'll be hooked. Gorgeous bright orange-gold fruit that hangs in abundant clusters.

ZEBRA CHERRY

Hybrid Tomato
Mid (70 days)

An attention grabber with its flashy color and zebra-streaked red and green skin. Outstanding, full-bodied flavor that is unique for cherry tomatoes.
